OUR SERVICE

You will not receive advice or any recommendation from us in respect of the finance options we can offer, instead we will ask you a number of questions to narrow down the selection of products we will provide details on, ensuring you have sufficient information to choose how you wish to proceed.

CREDIT BROKER STATUS DISCLOSURE

We are a credit broker, not a lender and have the permission to carry out the regulated activity of credit broking which includes effecting introductions between you and lenders or other credit brokers. **This means that we can introduce you to a limited number of lenders and their finance products, which may have different interest rates and charges, to assist with your finance.** We will provide details of products available from the lenders that we work with, but no advice or recommendation will be made. **You must decide whether the finance product is right for you and all finance is subject to status and income.** We also hold the permissions of debt adjusting and debt counselling for the regulated activity of settling finance agreements on an existing car in part exchange circumstances and organising a new finance agreement to replace it.

FINANCE APPLICATIONS

We will refer your application to our main panel of lenders, if this is not successful, we will refer your application to another lender within our main panel of lenders.

Where your finance application has been unsuccessful, we will advise you of this and also provide you with the details of any credit reference agency consulted by the finance provider.

COMMISSION

We do not charge you a fee for our services however; we will receive commission (either as a fixed fee or as a fixed percentage of the amount you borrow) from your finance lender for introducing you to them. The lenders we work with pay commission at different rates and promotional rates may also apply from time to time. However, **the amount of commission that we receive from a lender does not have an effect on the amount that you pay to that lender under your credit agreement.**

You are entitled, at any time, to request information regarding any commission which we may have received as a result of placing your finance with a lender.

FINANCE AGREEMENT REVIEW

Where we have arranged finance for you, we may contact you prior to the end of your finance agreement to discuss the return of your vehicle and/or end of term options available to you.
