

Please note that we do not operate an organised distance selling scheme as defined by the consumer contracts (cancellation, information and additional charges) regulations 2013. If you choose not to view the vehicle at our premises prior to purchase, you will not be entitled to cancel your order under a 14 day cancellation period. All other statutory rights remain unaffected. In the Event of a vehicle that needs to be returned to us for any reason you will bear all costs of the return if no other agreement has been made in advance and expressly agreed in writing by both parties.
